SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Under 37 CFR 1.97

This Supplemental Information Disclosure Statement is filed within three months after the filing date of the national stage entry of this patent application originating under the Patent Cooperation Treaty, so it is timely filed without payment of a fee. 37 CFR §1.97(b).

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR §1.56(c).

One (1) foreign patent document is listed on the attached one (1) sheet of Form PTO/SB/08A which is made a part hereof. A copy of the document is enclosed.

The published EPO application provided as Reference CA was published on 30 May 2001, so it was not available to the applicants in English at the time of filing the present application. For the Examiner's information, Reference CA has a Japanese language equivalent published as WO 00/05437 on 3 February 2000. That publication is not enclosed, since the only English portion is the abstract.

The foregoing Information Disclosure Statement is based upon the information known to the inventor or contained in the undersigned attorney's file as of the filing date of this statement and is inclusive of the best information known to each of the undersigned at that date. Prompt consideration of the Information Disclosure Statement and the references by the Examiner is earnestly requested.

Respectfully submitted,

Stephen L. Grant
